BESKRIVNING

Ayurveda is a complete health lifestyle in a scientific way. It is about yoga, meditation, treatments, food and herbs. Ayurveda creates harmony in body, mind and soul, with help from nature and the five elements. In a simple way you get unique and deep knowledge about Ayurveda and lot good and practical advice how to cure health problems and keep permanent health, wealth and happiness in life. This is part one of two of Back to Nature with Ayurveda. Asha Devi, Brahmacharini, before living in Himalaya, is an Ayurveda doctor practicing in Sweden for the past 10 years. Before that she had a flourishing practice in the Indian capital of New Delhi. She has had a lifelong association with Ayurveda. Born in a family of Ayurveda physicians, love for nature came naturally to her. She has done extensive social work, focusing on women empowerment and education of underprivileged children. She has a heartfelt desire of promoting world peace and spreading the benefits of Ayurveda throughout the world.
